Documentation of Sandtray Consultations for GCCST Certification
(to be completed by a qualified GCCST consultant*)

Consultation #_____

Each 30 minute to 1 hour consultation should be focused on covering one specific client and should include discussing a minimum of 3 trays. These should be trays that were done in person (not virtual).

Name and Credentials of Qualified Consultant: _____

Date and location of consultation:

_____

Considering the topics addressed in training levels 1-4 (Fundamental Certification) or levels 5-10 (Advanced Certification), what are some skills you noticed this therapist doing well? Are there any areas for growth?
